

The 2005 reunion was an absolute success! We had members join us from MO, OH, IA, NE, AR, GA, KS, TX, AL, CA, LA, IL and OK. Approximately 50 members met at Lambert's Café in Ozark, MO on Thursday evening, before the reunion on Friday, for dinner and some of their famous throwed rolls. Then everyone headed to the Settle Inn for the rest of the wonderful weekend.

The reunion included:

- A presentation by Jennifer L. K. Clark, MD.
- A talk by the inventor of [RALPH](#) (a computerized assistant to make independent living possible by speaking to your house).
- Karaoke Night
- Lots of visiting, eating and FUN!
- And, members were also given an opportunity to show off some of their vehicles outfitted with adaptive equipment.
